

Phelope Cruz has been cast to star alongside Johnny Depp in the upcoming "Pirates of The Caribbean: On Stranger Tides" movie. She'll be playing the daughter of bad guy Blackbeard, & will be feisty, bring a little humor to the role and a little romance between her character Penelope and Captain Jack Sparrow.

An LA pharmacist, who used to count Britney Murphy as a client, says he cut her off because he was afraid she would kill herself. Eddie's Pharmacy filled more than 100 prescriptions for Britney, her husband, and her mother between January & August 2008 before owner Eddie Bubar cut them off fearing someone would die. Some of the meds filled included pain-killers, anti depressants, and anti-Anxiety meds.

Tim Burton won't be doing the new "Addams Family" film...According to his reps he's got no upcoming projects in the works...That's ok though his current film "Alice In Wonderland" just wrapped up the #1 spot for the third week in a row bringing in \$34.5 Million this weekend, the kids movie Diary of A Wimpy Kid was #2 with \$21.8 million just beating out Jennifer Anniston & Gerrard Butler's "The Bounty Hunter".

Li-Lo isn't happy after getting snubbed at Hollywood's newest night spot...According to E, Lindsey was forced to wait behind a velvet rope for a whopping 15 minutes, as she was attempting to get into club Trousdale. The club was hosting a private event, and Li-Lo wasn't on the list, forcing her the humiliation of having to wait and being hounded by the paparazzi snapping photo's of her wait.
